THIS IS UNEVALUATED INFORMATION FOR THE RESEARCH USE OF TRAINED INTELLIGENCE ANALYSTS 50X1-HUM 1. For the past several months the South China Board has been indulging in the unlawful purchase and sale of foreign exchange at black market rates. The Central (Shanghai) Export-Import Control Board has been entremely hopest in enfercing the exchange regulations which govern import-export transactions and is greatly disturbed over action of the Regional Office and the fact that SCOMO has made no effort to comply with the Central Government's regulations concorning the Board. There is now a 30% remittance rate (30% charge for remitting CNC dellars to Canton from Shanghai) between Shanghai and Canton which is one indication that people are interested in getting their CNC dollars to Centon. ( Note: The 50X1-HUM present remittance rate from North Chins to Shanghai is about 20%.) 50X1-HUM 2. 3.
